

The founding members of Sigma State Foundation established seven Gift Circles to recognize chapters, individuals, and other foundations supporting our mission. The names of the Gift Circles reflect Dr. Lorraine Missling's love of roses: Virginia's Granada, American Beauty, Chrysler Imperial, Lorraine's Mr. Lincoln, Heritage, Symphony, and Tiffany. Virginia's Granada recognizes Virginia Wagener's bequest to Sigma State Foundation in her estate plans. Lorraine's Mr. Lincoln recognizes Dr. Missling's generous gift that provided funding to support the creation of Sigma State Foundation. Inclusion in a Gift Circle is based on one's cumulative total of all gifts to the Foundation since 1999. Thank you for your generous support!
