

Mission, Vision, and Goals

Our Mission: To accept, manage, and distribute contributions that will enhance the future quality of education.

The Vision: To initiate, support, and/or endorse the following initiatives of the Wisconsin State Organization of The Delta Kappa Gamma Society International (WSO):

- Mary Jo Nettesheim Literary Awards for Wisconsin students
- Action Grants for chapters
- Financial support for state conventions, conferences, and workshops
- Financial support for leadership training at international conventions and conferences
- Leadership Development Grants for Individual Members
- Academic scholarships

Goals include:

To Recognize members of the Wisconsin State Organization and others who make exemplary accomplishments

To Create a strategic action plan that will enrich and enhance the Sigma State Foundation, Inc., and its operation as a philanthropic organization

To Identify creative fundraising activities

To Maintain a strong relationship of understanding and cooperation with the Wisconsin State Organization of The Delta Kappa Gamma Society International

To Communicate the opportunities and benefits of philanthropy to Wisconsin State Organization members, chapters, and their learning communities

To Manage the endowment in a fiscally responsible manner related to Internal Revenue Service rules and regulations
