

Wisconsin State Organization Finance Committee Goals—2021-2022

The Committee set the following goals:

1. Assist in preparation of the annual Wisconsin State Organization budget.
2. Review Wisconsin State Organization Bylaws and Standing Rules yearly to see if any changes directly impact the proposed annual budget.
3. Review and clarify all budget processes with Finance Committee and Wisconsin State Organization leaders before budget preparation to ensure accuracy and transparency.
4. Add a budget narrative, if needed, to the proposed budget as an aid in transparency.
5. Review the monthly Quick Book reports.
